

At Heroes for Children, our mission is clear: to advocate for and provide financial and social assistance to families with children (0-22 years of age) battling cancer. As we continue to grow our reach and deepen our impact, it's important to recognize not only the value of financial contributions but also the immense role that in-kind donations play in helping us serve families in their greatest time of need.

As we prepare for our upcoming signature events, we're seeking specific in-kind donations to help us maximize fundraising and elevate the guest experience.

These non-monetary gifts allow us to build one-of-a-kind auction packages, host raffles, prizes and more—all without cutting into our fundraising dollars. In turn, we're able to raise more money and invest more deeply into our programs for families.

We've seen firsthand how these gifts help us stretch our impact further, and they're often the first step in building long-term donor relationships. Thank you for continuing to champion every form of generosity at Heroes for Children—because when we all give what we can, the impact is truly immeasurable.

With gratitude,
